# Welcome to the Test

- Welcome to the New Britain Lieutenant's Written Exam being held on Feb 27, 2025
- Today is the Online 'Written' exam.
- Please follow the instructions on the following slides.
- Please ask the Proctors if you have any remaining questions.
- The Overview of the Test follows

**Training, Testing &  
Strategic Services  
for the Fire Service**

# About the Test

There are 100 Multiple Choice Questions that are grouped by reading material into a section.

Questions are delivered randomly within each section, and the answers are also in random order.

New Britain Fire SOP's

New Britain Rules and Regulations

IFSTA Fire and Emergency Services Company Officer 6th Ed

Fire Department Incident Safety Officer, 3rd Ed by Jones & Bartlett

Step up and Lead

IFSTA Structural Fire Fighting Initial Response Strategy and Tactics 3rd Edition

Local 922 Contract

The primary mission of the fire service is to save lives, protect property, and protect the \_\_\_\_\_.

**Select one alternative:**

☐ equipment.

☐ environment.

☐ culture.

☐ bystanders.

*Bottom line – the question being answered by the person next to you will be different – so don't bother looking.*

# Time to Complete

- You have 2.0 hours to complete the exam.
- The clock starts @ 9am
- The Exam Closes at 11am
- A Timer in the upper left corner of the page lets you know how much time is remaining

The screenshot displays the MissionCIT exam interface. A yellow circle highlights the 'Candidate ID' section in the top left, which shows '1 hour, 34 minutes remaining'. To the right of this are icons for Wi-Fi, a bell, and a menu. Below the timer, a question is displayed: 'The primary mission of the fire service is to save lives, protect property, and protect the \_\_\_\_\_. Select one alternative:'. Four radio button options are listed: 'equipment.', 'enviornment.', 'bystanders.', and 'culture.'. At the bottom, a navigation bar contains numbered tabs from 1 to 10, with tab 1 currently selected and highlighted in blue. A checkmark icon is located at the end of the navigation bar. The interface also includes a progress bar and navigation arrows.

# Scoring & Results

## Part 6 – Stuff happens – now what?

# Technical Difficulties

- Technology Breaks
  - → No worries – we have spare laptops, mice, and power supplies. Even if you need a new laptop, you will be able to continue where you left off
- Power fails
  - → No worries – laptops have an 11-hour battery – far longer than the test.
- No Internet
  - → No worries – we have a hot spot – and if that doesn't work, we can download your test to a flash drive and submit it when the internet returns

# User Difficulties

- I pressed submit before I was ready
  - → No worries – the proctor can reopen your test
- I am lost – can't figure out how to work the computer or the software
  - → No worries – let a proctor know and we will help you become comfortable
- I am ill or have a personal emergency and can't continue
  - → No worries – we can provide an alternate test at another time – if permitted by the rules of your City and Department

# Security Violation

- I have to use the restroom
  - → No worries – give all your electronics to the proctor – we can pause your test (if permitted by the rules)
- However, any cheating violations are not tolerated and will result in dismissal from the test and a failed score
  - → So do not open another browser page, open your cell phone, answer a call, open another program, or bring out any unauthorized materials.
  - → ***If you have a special circumstance, the proctor(s) must be notified before the test starts***

# Part 7 – It all worked! What's next?

# Answers Submitted – What's Next?

- Congratulations on completing the Exam!
- You will be notified of your results by your Town or Department
- There will be 1 hour after the exam is finished (11am) to file any appeals
- Thanks for testing with MissionCIT
